Low Code/No Code Development

- With the rise of digital transformation, a low-code development platform—which anyone can use to rapidly develop new applications—is a major way your company can adapt and prosper.

AskServiceDesk.com [Project]

- AskServiceDesk.com is designed for our clients who have transitioned to Microsoft Cloud and is an extension of our “White Glove” service.
 - Microsoft Forms
 - Microsoft Power Automate
 - Microsoft SharePoint
 - Microsoft List
 - Microsoft Teams

Microsoft Forms

- Easily create surveys and polls to collect customer feedback, measure employee satisfaction, and organize team events.

Microsoft Power Automate

- Meet Changing Business Demands with Robotic Process Automation. Expand Capabilities. Automate Securely. Boost Efficiency. Enhance Workflows. Automate Quickly.

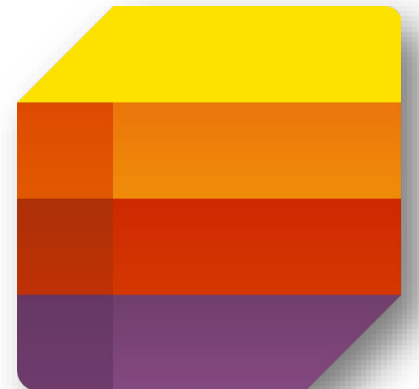

Microsoft SharePoint

- Share and manage content, knowledge, and applications to empower teamwork, quickly find information, and seamlessly collaborate across the organization.

Microsoft List

- Microsoft Lists is an app that helps you track information and organize work. It's simple, smart, and flexible, so you can stay on top of what matters most.

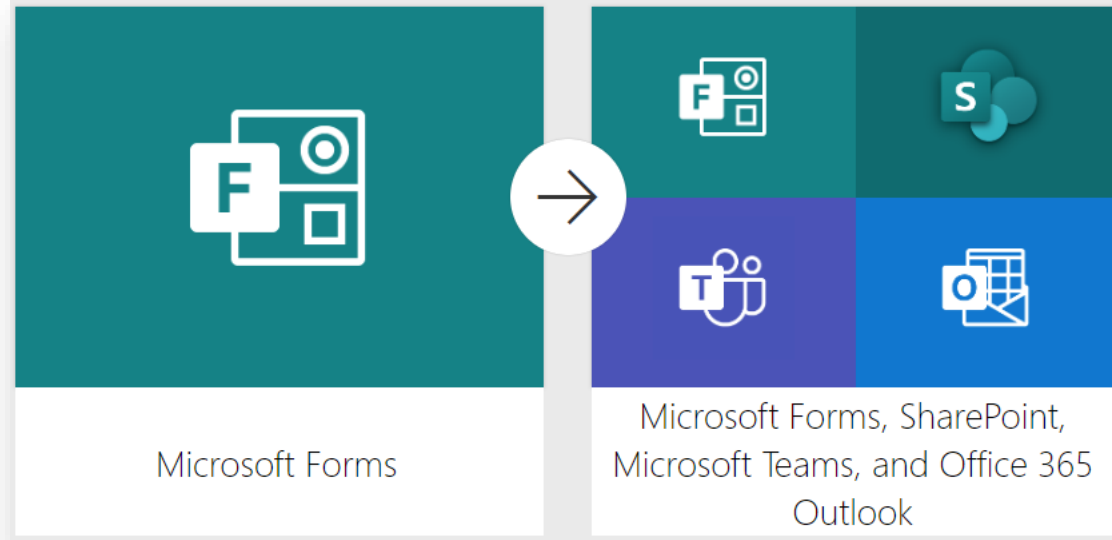

Microsoft Teams

- Work with teammates via secure meetings, document collaboration, and built-in cloud storage. You can do it all in Microsoft Teams.
